Activity - Interview Speaking Practice

So today's activity is interview speaking. Each pair, comprising Anfas and Rahith, Sadiq and Aswin, Rakesh and Ashif Ali, as well as Sanjay and Amal, adeptly tackled the speaking task. They all began with clear introductions, confidently stating their names, places of origin, and educational backgrounds. Each pair then proceeded to articulate their strengths, with examples, showcasing their self-awareness and competence. Additionally, they openly discussed a weakness they are actively addressing, demonstrating a commitment to personal development. Lastly, they shared proud accomplishments, detailing how they were achieved, thereby highlighting their capabilities and successes. Overall, all pairs effectively communicated their attributes and achievements, displaying honesty, self-awareness, and a positive attitude towards growth and improvement.
